Dear friend,

Things have changed over the last 20 years. We are seeing more and more people falling on hard times. Homelessness is now apart of our everyday life. We see people in need on our streets while going about our daily business. This is a problem that isn't going away. As residents and business owners we can't afford to look the other way or say this isn't our problem any longer.

Operation Warm Wishes (O.W.W.) is dedicated to helping and serving the homeless, troubled youth, struggling families, Veterans & senior citizens in need throughout Orange County and the world. We work with local law enforcement, teachers and community leaders to find out how we can meet the needs of those struggling locally and work with them to *maintain* a higher quality of life.

What makes Operation Warm Wishes different? We are focused not only on helping the homeless, but we spend many of our resources helping those *on the verge* of homelessness- Tustin families that are living either in motels, cars or about to lose their home. We get calls from local teachers or authorities regarding families who are in need. An example may be no food, utilities have been shut off or they are losing their home. We not only meet the immediate need, we walk alongside them to teach and plan for their future; *To hopefully break the pattern and create a better life for generations to come.*

HOW CAN YOU HELP?

On March 9, 2019, we will be hosting our annual gala entitled "An Enchanted Evening." This is a night of celebrating the thousands of people who have been touched by Operation Warm Wishes and to also raise money to keep this vision of *helping those in need* successful. We are in need of the following:

- Live auction items
- Monetary Donations to cover cost of event
- Sponsorships
- Purchase a ticket and attend the event
- Advertise at your place of business for the event
- Volunteer to set up/tear down event
- Wine/Beer for the event
